LET'S HAVE A PARTY!!!

Holcomb Farm -

Have a meeting coming up that is just a little too big to hold at your house? Holcomb Farm has a great space called the Workshop that may fit your needs. It's a spacious room with folding tables and chairs. There is a pull down media screen and a projector you can hook a laptop to. Great for slide presentations, movies, etc. The possibilities are endless!! We also have the main building referred to as the "Barn". This space would be great

for many things. This past October there was a wedding held at the farm. Currently there are many different activities taking place there on a daily basis: YogaChi, Fencing, Water painting Class, GECC Wednesday Morning Play Group, to name a few. For more information please contact the Recreation Office at (860) 844-5356.

Ahrens Park—Reservations being accepted for the pavilion at Ahrens Park. What a nice way to spend time with family and friends picnicking at this beautiful park. For more information please call the Rec. Office at (860) 844-5356.

Salmon Brook Park

Also available this summer are private beach parties at the pond on Sundays. What could be better than hosting your next summer party on the beach! Call us for details.

The new building at Salmon Brook Park is scheduled to open this Spring. The building will feature a beautiful indoor space outfitted with a gas fireplace, kitchen, dance floor and more. The perfect spot for your next event.
